

Nasrul Hamid MP
State Minister
Ministry of Power, Energy & Mineral Resources
Government of the People's Republic of Bangladesh

January 10, 2016.

Vincent Choy
Director
ASIA LPG SUMMIT.

Dear Vincent,

**RE: LETTER OF SUPPORT FOR THE ASIA LPG SUMMIT 2017
(25 - 28 FEBRUARY 2017, ICCB HALL-4, DHAKA, BANGLADESH).**

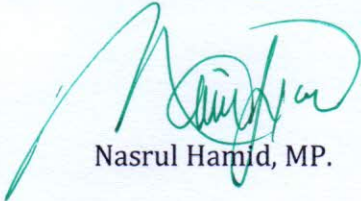

We would like to offer ourselves as a support partner for the organization of the upcoming Asia LPG Summit 2017 in Dhaka, Bangladesh on the 25 - 28 February 2017.

The Ministry of Power, Energy and Mineral Resources recognize the important role that such an international event will play in the development of the LPG industry in Bangladesh and we welcome the organizer's decision to base the venue for 2017 in Dhaka, Bangladesh.

LPG will play an increasingly important role in the energy mix of Bangladesh and we wish for it to grow in a safe, sustainable manner. We hope that the expertise and attention brought about to the industry from the Asia LPG Summit will help us in achieving those goals.

We welcome all foreign participants to Bangladesh as well as encourage all local LPG stakeholders to participate in the upcoming Asia LPG Summit.

Warmest Regards,

Nasrul Hamid, MP.
